Overview

Newly Renovated Colonial Home Welcome to this stunning two-story colonial home, meticulously updated to blend modern comfort with classic charm. The spacious new kitchen features stainless steel appliances, ideal for any home chef, and opens to a formal dining room for elegant meals and gatherings. Indulge in the luxurious new bathroom, complete with double sinks and contemporary finishes. The entire home has been freshly painted both inside and out, offering a crisp, vibrant look. With a roof that's only three years old, along with a new high-efficiency heater and central air system, you'll enjoy peace of mind and comfort throughout the year. The hot water heater, which is 5-7 years old, ensures reliable performance. The finished basement adds valuable living space, featuring a family room and game room area, a dedicated laundry room. Additionally, a new septic system was installed in August 2024, enhancing the home's functionality and efficiency. Public water is also a feature, and the washer and dryer are included as-is. This colonial home combines modern updates with timeless appeal, making it the perfect place to call home.
