Overview

Come see this adorable 3 bedroom, 2 bath, one level home, located on a generous corner lot in the quaint community of Pilot Rock - the home of community days, potlucks and and taking pride in helping your neighbor. Appreciate the hardwood floors, picture window views, and lots of storage throughout. Convenient kitchen with adjacent oversized utility with large pantry and room for small office space. Appreciate the popular split bedroom floor plan with 2 bedrooms one bath on one side and the primary bedroom with ensuite bath on the other. Outside you find a covered BBQ deck, perfect for entertaining, and a spacious fenced backyard, two metal sheds and an almost 500 sq ft garage/workshop, while the corner lot provides multiple parking space. Enhanced by a modern roof, modern siding, and upgraded ductless HVAC, with tankless water heater and multiple plumbing updates, this home has been very well cared for and provides impressive value.
