Overview

Don't miss this incredible opportunity to own a beautifully updated home in the highly sought-after Pearland school district! A new roof and decking (July 2024) add much value to this well-maintained property and ensure peace of mind for years to come. Step inside to find a stunning kitchen and baths, remodeled just two years ago, boasting sleek granite countertops. The home has been further enhanced with new double pane windows, gutters, and fence, all installed in August 2024. Durable vinyl plank flooring runs throughout, complemented by a cozy breakfast area with tile flooring. French doors from the breakfast nook open to a covered patio, perfect for morning coffee or relaxation. The entryway greets you with high ceilings and a wall of windows, adding to the home's spacious and bright feel. This home combines style and comfort, with major investments that add lasting value, making it the ideal place to begin your next chapter. Dont miss out on this exceptional opportunity!
