Overview

This three-story townhome offers plenty of room for comfortable living. With a finished rec room on the lower level, three bedrooms on the second floor, and open kitchen, living, and dining spaces, you'll have all the space you need for entertaining. Enjoy luxury touches throughout the home, including oversized kitchen islands with Quartz countertops, stainless steel appliances, and hard surface flooring. The Craftsman trim adds a touch of elegance. No need to worry about parking—your private two-car garage provides convenience and security. Situated near Downtown and the lake, this townhome is right off Old Rand Rd and IL-22. Love shopping? Deer Park Town Center, with its upscale stores and restaurants, is just 4 miles away. Take advantage of walking trails that lead to the lake, local restaurants, and boutiques in Downtown. Plus, the community is part of Lake Zurich School District #95. Explore the nearby forest preserves or head to the lake for quick bites and drinks. Sunset Pavilion and Paulus Park Beach await!
