Overview

NO HOA!!! Absolutely elegant and beautiful, this home offers TWO wooded parcels, lots of parking and privacy! The bonus is the large above ground pool with wraparound deck! Vaulted ceilings, natural light and tasteful, light color choices enhance the openness of this lovely home. The kitchen features stainless appliances and gas range, breakfast bar, pantry and plentiful cabinets for convenient storage. The breakfast area is bright and inviting with bay window overlooking the pool. The dining area is formal, with chair rail and picture frame molding, and tall palladium window. Split bedroom design offers a very private primary bedroom that features a deep tray ceiling with ceiling fan, and primary bathroom with garden tub and separate shower, dual vanities. All bedrooms feature lighted ceiling fans. Full sized laundry room with utility sink too! The family room opens to the pool deck, and also features soaring ceilings, lighted ceiling fan and gas log fireplace. This home has it ALL! COME SEE!!!
