Overview

This beautiful single-story home, built in 1990, boasts 1,801 square feet of open living space with 4 spacious bedrooms and 2 full bathrooms. The living room features vaulted ceilings, creating an airy and open ambiance, and there's a formal dining room perfect for hosting. The primary suite includes a soaking tub, a separate shower, a walk-in closet, and outside access, offering a private retreat. The large backyard provides ample space for outdoor activities. Located within the Elk Grove School District, the home is near Elitha Donner Elementary School and Folks Park. It's also conveniently close to Nugget Market and situated between Highway 99 and Highway 5, providing easy access to shopping, dining, and commuting.
