Overview

Charming Minahen Meadows Home with a Fully Permitted ADU! Discover the perfect blend of comfort and versatility with this delightful 3-bedroom, 1-bathroom home featuring a spacious, fully permitted 1-bedroom ADU. Ideal for multi-generational living or rental potential, the ADU boasts built-in dressers and closet space, a half bath upstairs, and a large living area, full bath, indoor laundry, and kitchenette on the lower level. The main home exudes warmth and character, showcasing original hardwood floors, a cozy two-sided fireplace, wood-beamed ceilings in the dining room, updated windows, and modern comforts like central heating. The beautifully updated kitchen includes granite countertops, granite flooring, stainless steel appliances, and the convenience of indoor laundry. The bathroom offers both a separate shower and tub for added flexibility. Step outside to enjoy a covered back patio, and a separate yard featuring an uncovered deck ideal for outdoor gatherings and relaxation. This home is a must-see for those seeking space, charm, and additional living options!
