Overview

An Original Santa Maria Style Farm House, great curb appeal, cute and quaint home built in 1928 (added onto in the 1960s). This may be a 5 bedroom home, with 2 potential kitchens. First time on the market in 75 years. Home is situated across 2 oversized lots (14375 sq ft +/-)with lots of potential to add additional structures, develop an ADU plus a large metal warehouse/workshop/garage and plenty of parking. 2 lovely courtyards and other yard areas, with a few access points in this compound. Potential live work property, many uses possible and very flexible structures and lot, and improvements.
