Overview

The sought-after Mattison Farm neighborhood is the site for this beautiful home, nicely situated on a corner lot. Classic in design yet with a bright, modern and open floor plan. the Nine-foot ceilings on the 1st floor enhance a welcoming sense of space and the large windows let the sunshine in. This fantastic property has 5 generous bedrooms, including a lovely main bedroom ensuite with radiant heated marble floors, a soaking tub, a double vanity, and a large shower. A much-loved bonus/game room on the 2nd floor features a mini kitchen for all your entertaining needs. With the adjacent bedroom and bath, this could be a great au-pair or in-law suite. The first floor features a well-equipped kitchen with large breakfast area open to the welcoming family room. With the front to back living and dining rooms, private home office, oversized laundry room and convenient mud room this home resonates comfort! The finished lower level is ready for your home gym equipment or game room fun. Welcome home!
