Overview

Looking for a 3 + bedroom ranch with plenty of space? You'll love the screened in back deck - and the view (Trex composite decking)! Inside there's three bedrooms and a bath on the main level. Lower level features an L-shaped living space plus room for a 4th bedroom or work from home space! Laundry and additional half bath on the lower level. (Lower level half bath is plumbed for shower.) Detached oversized heated garage/dream workshop (24x30) plus covered carport. New roof on home and garage August 2024. There's room to make lots of memories here - for years to come! Easy access to Hwy 63, area schools, YMCA.
