Overview

Let me introduce you to a fantastic property: a beautiful manufactured double-wide home with a brick foundation in a quiet location. This property sits on a flat 1.25-acre lot, providing plenty of space for outdoor activities, gardening, or simply enjoying the tranquility of the surroundings. One of the standout aspects of this property is its lovely views, providing a serene and picturesque backdrop for everyday living. The natural beauty surrounding this home is sure to captivate you. Additionally, this property is conveniently located close to the Tryon International Equestrian Center (TIEC). Whether you're an equestrian enthusiast or simply enjoy the vibrant community events hosted there, you'll appreciate the easy access to this renowned facility. This home isn't just a place to live; it's a lifestyle. With its sturdy construction, spacious lot, beautiful views, and prime location near TIEC, it's an opportunity you won't want to miss. Plenty of room to spread out and entertain!
