Overview

Welcome home to the Golden Meadows neighborhood! This gorgeous tri-level on a cul-de-sac with a brand new roof and HVAC system is sure to please! This home features 3 bedrooms on the upper level with a dual-entry full bathroom off the master and an additional bedroom and full bathroom in the lower level. Walk into your main living level with beautiful vaulted ceilings and an open floor concept shining with natural light. Enjoy your fenced in deck area or your above ground pool without the worry of damage to the low maintenance stamped concrete flooring throughout home. This home also sits on almost half an acre with 2 garage spaces as well as additional parking in the driveway.
