Overview

Discover your perfect home in this meticulously maintained split-level residence, featuring 3 spacious bedrooms and 3 full bathrooms. This inviting all electric home has an attached 2-car garage, ensuring convenience and ample storage space. You will appreciate the updated flooring and paint colors. The large backyard is a private oasis, complete with a deck and a privacy fence—ideal for outdoor gatherings and relaxation. Additional highlights include a well-sized storage building and walk-in closets, offering plenty of room for your belongings. Located a few minutes from the conveniences of Mt Vernon.
