Overview

Step into 430 Walnut Crest and experience the ultimate in modern living. This stunning floor plan boasts 3 bedrooms and 3 bathrooms, making it the perfect family home. The studio/office is ideal for productivity, while the living/game room upstairs provides a space for relaxation and fun. From the sleek modern accents to the upgraded features, this home is truly a masterpiece. Step outside to the backyard and discover a low-maintenance oasis perfect for outdoor gatherings. The luxurious primary bathroom features a walk-in shower, double vanity, and glamorous lighting, creating a spa-like retreat. The spacious family room is perfect for hosting large gatherings with ease. Conveniently located near shopping, Forum Parkway, and I-35, this unique property offers the perfect blend of work and play. Don't miss out on the opportunity to make this your dream home. #DreamHome #ModernLiving #UniqueProperty
