Overview

Gorgeous townhome in the perfect location! Come and see all that this well-maintained home has to offer. Upon entry, you will be welcomed by natural light and open-concept beauty. Perfect for entertaining, the kitchen provides inclusion in all primary level activity and becomes the center of attention on the ground floor level. Lightly used is an understatement - this home looks and feels brand new! Upstairs, there is ample space with a stunning primary bedroom featuring an en-suite bathroom, walk-in closet and walk-in shower. The washer and dryer convey and could not be located more conveniently on the second floor where they are most needed. The refrigerator and all other appliances currently in the home also stay. Don't sweat the small stuff! HOA covers lawn care, sewer, trash, exterior maintenance and water. The Craftsman finishes throughout add intricate detail that make the rooms and common areas feel that much more intentional, elegant and special. Townhomes are known for their convenience factor and this unit has it in bunches: two car garage, an in-ground sprinkler system, prime location, a playground for those with children and a fenced backyard for evenings over the grill or just relaxing in the shade. Cardinal Crossing is walking distance to nearby schools and parks with every kind of shopping at your fingertips. The University of Texas, Georgetown, Round Rock, The Domain and all that the greater Austin area has to offer is now within striking distance and only minutes away from your door step. Don't miss out! This stunning home is priced to sell and will not last long. Schedule your showing today!
