Overview

Discover your beachside sanctuary in the desirable Sand Hills neighborhood of Scituate. This delightful seaside home is just a short stroll away from several picturesque beaches, the Lighthouse, Harbor and Yacht club. The current layout allows for conversion to a 3-bedroom, offering you the flexibility to adapt the space to fit your lifestyle and needs. Upon stepping onto the generous wrap around porch, you will immediately picture yourself enjoying your morning coffee, a good book or simply taking in the sea breeze. Recent updates include: new siding, boiler, water heater, whole house auto generator, outdoor shower, filtration system and primary en suite. You have multiple outdoor spaces designed for relaxation, dining under the stars, and cozy fireside gatherings; creating a seamless flow between indoor and outdoor living. Featuring charming built-ins, a gas fireplace, a pristine backyard, and a 2-car garage with heat, electricity, and cable, this home is a must-see and is not in a flood zone!
