Overview

Take advantage of this gorgeous Renaissance home! Nestled in a quiet neighborhood close to all the conveniences of Tanasbourne and Beaverton! Enter the house, and you will find beautiful Brazilian cherry floors, a spacious office/den, a half bath, and a modern open floor plan. The main level living boasts floor-to-ceiling windows that showcase the lush green space and provide plenty of natural light. In the kitchen, find stainless steel appliances, an island cooktop, coffee bar, granite counters, and a pantry for storage. Upstairs, find three bedrooms and an additional 4th bed/bonus room, tech nook, and laundry room with wash sink. Newer carpets with a luxury pad were recently installed in the upstairs and feel plush! The primary suite has two separate sink areas, a soaking tub with a skylight, a shower, and a spacious walk-in closet. The backyard is fully fenced, with newer pavers installed, and backs to a beautiful greenbelt that offers privacy and tranquility. All appliances included, and with newer exterior paint in 2024, this home is truly move-in-ready! Be sure to ask your agent for the upgrades list; nearly 50k in upgrades/maintenance have been completed since purchased!
