Overview

No sign on the property. Discover this charming end-unit townhouse, where abundant natural light fills the living room and lower-level family room. Enjoy picturesque walkout waterfront views and green space from the balcony and patio. The updated kitchen boasts ample storage and granite countertops. Vaulted ceilings and pre-finished hardwood floors enhance the kitchen, dining area, and main level living room. The basement features a stone gas fireplace and durable vinyl flooring. With a new furnace and water heater installed less than a year ago, this home is energy efficient. With a spacious attached 2-car garage, there's ample room for two vehicles and storage. Located on a dead-end street, it offers privacy and easy access to nearby community parking spots.
