Overview

Seeking refuge? Slowing down your lifestyle? Are you seduced by our desert? Looking for quiet? Looking for solitude? Would you like to sit and listen to desert creatures instead of city noises? Welcome! Welcome to a desert retreat like few others. One mile off a State Highway but it feels like miles and miles. Almost two acres of privacy. Expansive views. On a moonless night you can see the reflection of light from Las Vegas in the northern sky. This piece of property is one of a kind. Lots of large boulders and panoramic views. The house? AMAZING!! Almost 2,900 square feet of living space. Travertine tile floors. Large bedrooms. A master suite like few others in our area. The master bath even has its own fireplace at one end of the tub. A professional kitchen with a Thermador range complete with an indoor BBQ/grill. Large office. Inside laundry with easy outside access. Four car garage completes the perfection. Newer build. You will not find many homes in our area that can compete with this one. Come sit on the front porch and soak in the solitude, sunlight, night sky, and quiet!
