Overview

This stunning 4-level new construction home spans over 6,900 sq ft, offering 6-7 spacious bedrooms and 6 full and 2 half bathrooms. The 1st floor features 10-ft ceilings, a versatile office/bedroom with an ensuite bath, and a heated 2-car garage. The open floor plan includes a custom chefs main kitchen with Thermador appliances, prep-kitchen/pantry, a large wet bar, and a breakfast nook. The grand dining and living areas lead to a family room with a linear fireplace and a covered patio. On the 2nd level, find 4 ensuite bedrooms, including a master suite with his/hers closets, a fireplace, and a spa-like bath with heated floors, an extra-large shower, and a freestanding tub. The attic provides 780+ sq ft of flexible space, while the basement features an entertainment room with a wet bar, gym and walk-out access to the backyard. Customize this home to your liking today to make it your forever home! Highly regarded builder known for exceptional customer service and client satisfaction.
