Overview

This Stunning Stonebridge home features an incredible set of amenities including a panoramic view of the 7th fairway of Stonebridge Golf Club, extensive updates throughout, and a gorgeous heated inground swimming pool. The setting is spectacular on a quiet cul-de-sac lot with extensive Landscaping, large patio area, and one of the nicest pools you will see. The interior has been nicely updated with fresh paint and refinished hardwood floors. Highlights include a welcoming covered entry porch, living room with two story ceiling, custom kitchen with granite counter tops and professional grade appliances including Viking refrigerator, open concept family room with fireplace, great back hall mud/laundry room, formal dining room, study, and luxury main level primary bedroom suite with walk-in closet and spa-like bath. The upper level includes bedroom 2 with a private bath, and 3rd and 4th bedrooms with jack-n-jill bath. The finished lower level features great multi-use rec space, full kitchen, home office, 4th full bath, and ample storage space. You will love living in Stonebridge with miles of sidewalks, nature trails, beach, playground, and tennis courts all located just minutes to Schools, shopping, UM Campus, and all freeways.
