Overview

Welcome home to this stunner within Clairidge at Morningview. Located on a cul-de-sac street, this home is waiting for you! Beautiful hardwoods on most of main level, plus guest room with full bath also on main level! Boasting a perfect office or formal living room AND a beautiful dining room with added trim details. Kitchen is updated with ample counter space, separate breakfast room. Step out to the oversized 3 season screened porch with masonry fireplace, and enjoy a crisp fall day around a fire watching your favorite football team. Plantation shutters in the great room and brick hearth add to the warmth of this home. The master bedroom is generous with an incredible spa like ensuite bathroom! Separate shower with slate tile and floors. Three generously sized secondary bedrooms and full bath upstairs. The finished basement has smooth ceilings, a wet bar in the kitchen area perfect for entertaining or a teen suite. A full bath and large living area makes the basement a home run! Private back yard, bricked sidewalk to enter the basement from the front and beautifully landscaped front, sides and rear of home. This home is just perfect. Make it yours today.
