Overview

Step into your dream home at 950 Vernal Ave, where mid-century style meets modern living in one perfect package. This single-level stunner is all about the views think sweeping panoramas of the city and the water that you'll never get tired of. Inside, it's pure contemporary cool with 3 bedrooms and 2.5 baths, all framed by sleek hardwood floors and finished with elegant stone countertops. The primary suite is your personal sanctuary, complete with a huge walk-in closet and a brand-new bathroom that feels straight out of a luxury hotel. But that's not all. There's an extra room currently set up as a home office, but it has serious ADU potential if you're thinking guest suite or even a rental for some extra cash. Need space for your creative projects or gear? Check out the large garden workshopit's ready for whatever you throw at it. The home's exterior is as impressive as the inside, with stylish cedar siding that blends perfectly with the lush surroundings. And with a 2-car garage, your parking worries are over. 950 Vernal Ave is more than just a houseit's your chance to own a piece of mid-century magic, updated for today's lifestyle. Whether you're hosting friends or just chilling on the deck, this place is ready for the life you want to live.
