## Overview

A luxurious custom-built retreat that is beautifully nestled on 38+ private acres! As you pull down the long driveway into your new home, you will fall in love with the sounds of nature, stunning views and lavish finishes within this all-brick home. This beautifully appointed home features hardwood flooring throughout most of the main level, tall ceilings, a popular split bedroom floor plan and large windows with custom drapery. The home features a formal dining room, a custom library or office space, a large living room with vaulted ceilings and a gas fireplace. The kitchen is the perfect gathering space for family dinners, which includes granite countertops, a full black stainless appliance package and plenty of cabinet space. An extra special feature of this home is the primary suite that is complete with an extra sitting area, tall ceilings and an elegant primary bathroom with granite countertops and a large walk-in closet! The 2nd and 3rd bedrooms feature a popular jack n jill bathroom layout! As you enter into the mostly finished walkout basement, you will find a large open family room, plenty of daylight windows, a kitchenette with a refrigerator included, a 3rd full bathroom, multiple storage areas and another flex space that if a closet was added could be a 4th bedroom! Other features of this home include a geothermal system, a Rinnai water heater, an enclosed back porch with views of the backyard pool, a built in speaker system, an alarm, water softener, a generator transfer switch, a 30x48 detached shop, and a pond. This home is a rare gem, schedule your viewing today!
