Overview

Nestled in a peaceful neighborhood, this charming home offers a delightful blend of tranquility and convenience. Backing up to a serene wooded area will benefit those who enjoy nature and quiet surroundings. Well-maintained with thoughtful updates, this home features an attached garage and welcoming landscaping. Inside, you'll find an inviting layout with a primary bedroom that conveniently connects to a shared bath, creating a seamless flow between spaces. Sleek SS appliances and a pleasing color scheme gives the home a fresh and modern feel. Step outside to the fenced backyard, where raised garden beds are ready for your green thumb, and a fire pit area invites gatherings on cool evenings. The covered front porch offers a great spot to enjoy your morning beverage and welcome the day. Located just 10 minutes from downtown Cleburne for easy access to shopping and dining options. Proximity to Hwy 67 makes commuting a breeze, with Fort Worth only 30 min. away. Refrigerator is negotiable.
