Overview

New construction on the West side of Methuen. Fabulous new colonial home on an acre plus flat lot. Natural gas, city water and city sewer. The first floor features a large eat-in kitchen with quartz countertops, upgraded cabinets, ss appliances, hardwood flooring and dining area with a slider to a deck overlooking the large back yard. Front to back family room with a vaulted ceiling, dining room and a first floor bedroom or office and a first floor full bath. The second floor features the main bath with quartz top double vanity, tile floor and tub with shower, separate laundry room, three generous sized bedrooms including the primary bedroom with a huge walk in closet and primary bath with quartz top double vanity, tile floor and walk-in tiled shower. Other features include a two car garage, two furnaces and two zone central AC, hybrid hot water heater, hardwood flooring and two car garage. Great location convenient to highways, schools and New Hampshire tax free shopping!
