Overview

Welcome to a new construction townhome in Newton. Upon entering a splendid hall, you'll find a built-in coat closet and a designer powder room. The open-concept 1st floor offers many stunning features, including modern cabinets and Thermador appliances. The living room showcases a linear fireplace and a natural wood slat wall. The 2nd level offers 3 bedrooms, including a primary suite with a walk-in closet and a spa-like ensuite bathroom with heated floors and its own heating and A/C zone. An additional full bathroom and a laundry area complete this level. The 3rd floor provides bonus space with large windows and skylights. The lower level has a private bedroom with a full bathroom, perfect for your guests or an office. Enjoy the outdoors with a patio, deck, and a balcony. This home features outdoor cameras with mobile app connectivity, 5 A/C and heating zones, an efficient irrigation system, and is prewired for an EV charger. Conveniently located!
