Overview

Great Deerwood custom home. Large fully landscaped lot with mature trees and sprinkler system. Huge windows offer great light. High ceilings - 11'. Custom concrete countertops in kitchen. Garage is oversized - big enough for 2 pickup trucks or full-size SUVs with room left over. 50-year DaVinci Slateline composite roof shingles in May 2020. New low-E windows throughout March 2021. Tankless water heater for endless hot water.
