Overview

Immaculately renovated 4-bed, 3-bath home conveniently nestled in Sylvan Acres subdivision in Cape Girardeau. Meticulously redesigned inside and out, boasting new vertical siding and brick exterior with a matching she-shed, attached 2-car garage, and sprawling 1.1-acre lot that ensures ample space and seclusion. Inside, discover elegant wallpaper complemented by wainscot detailing throughout the main and lower level. The kitchen is a chef’s dream with high-end stainless steel appliances, including a gas cooktop, custom range hood, and new cabinets/counter tops. The main level features spacious bedrooms, including a luxurious master suite with a newly tiled shower and generous walk-in closet. Additional highlights include closet inserts, a renovated basement with a option of a bedroom or theater room in addition to bonus room and full bath. This property epitomizes sophistication and comfort, offering a serene retreat with modern amenities.
