## Overview

Imagine a serene setting with nearly half an acre of lush grounds and an enchanting Tudor-style residence, surrounded by walls, gates and mature landscaping. This home offers the perfect blend of country privacy and the best of Chestnut Hill living. Step inside to experience the spacious, open feel. The grand piano-sized living room features a wood-burning fireplace, high beamed ceilings and direct access to the outdoor patio. Enjoy the exquisite Pella windows and natural maple woodwork throughout, part of the extensive 2004 updates. These also include custom built-ins in the kitchen, home office, and bedrooms, a new top level, exposed beams in the dining room, central air, and a greenhouse. The chef's kitchen is equipped with Viking, Sub-Zero, and ASKO appliances, custom cabinetry, a pantry and compactor. The open living and dining areas create an ideal setting for entertaining. The upper levels offer a luxurious primary suite and five more bedrooms to accommodate all your needs. Welcome home!
