Overview

Welcome to 3424 Wycliffe Dr, a timeless mid-century modern gem bordered by Dry Creek. This sprawling estate boasts 5, 286 square feet of living space, 5 bedrooms, office, media room, 3.5 baths and is set on a 1.3-acre lot. The Pool House offers 1 bedroom, 1 bath, kitchen and a laundry area for flexible usage as a guest quarters, workspace retreat, or additional income. The spaciousness of the home feels welcoming with the warm, natural elements of refinished hardwood floors, granite countertops, and light, wood paneling. With multiple outdoor access points, this home seamlessly brings the outside in, integrating the surrounding natural beauty. The wall of windows on the back of the home allows you to see and enjoy sweeping views of the large pool and lawn sloping towards the creek. The east wing that houses the primary suite and office provides privacy and the secluded balcony and cedar-lined closets add another touch of luxury to this magnificent home. In the west wing of the home, you'll find 4 more bedrooms and 1.5 baths. Both wings have their own HVAC systems - ensuring comfort throughout all seasons with no wasted energy. The backyard is like a park w/a private well and a recently resurfaced pool and spa that's perfect for outdoor activities or simply relaxing amidst nature.
