Overview

Looking for a home in a prime Lemont location? Check out this beautiful home in Covington Knolls of Lemont on a premium lot. Highly functional and custom floor plan situated on a private lot that backs to open grounds for incredible privacy. Impressive living room with soaring vaulted ceilings and a beautiful window for natural sunlight. Formal dining room is great for entertaining or hosting. Spacious kitchen offers a large breakfast bar for added seating, plenty of cabinetry, a pantry closet and a lovely eat in area. A stunning sunroom off of the eat-in area with views of the private grounds. Comfortable family room with a gorgeous fireplace and a main level bedroom that has a spacious closet. Main level laundry and powder bathroom. The second level offers an expansive loft area that overlooks the living room. Spectacular master retreat with an elongated ceiling beam, sizable walk-in closet and a private ensuite includes a whirlpool tub and separate shower. Three additional bedrooms on the second level all with great closet spaces and a shared full bathroom. The basement offers a full bathroom and plenty of opportunity to turn into your dream space for family area, recreation, gaming and a massive crawl space ideal for storage. Extended deck and brick paver patio is a great place to unwind and relax. Prime Lemont location close to shopping, dining, expressway, school, park and more. TEAR OFF ROOF (2018)
