Overview

The blend of modern amenities like granite countertops and hardwood floors with the potential for a backyard garden and chicken coop offers both comfort and practicality. And having a dedicated office space is a huge plus in today's work-from-home era. The open layout in the kitchen, dining, and living areas likely creates a welcoming atmosphere for gatherings or simply enjoying day-to-day life. Plus, the 2-car carport adds convenience for parking. Plumbing stub outs have been installed for you to create your perfect primary bathroom. Seller is motivated so bring reasonable offers.
