Overview

If you have always dreamed of having your own Ranch one day, this is the perfect property for you! Located just off of Highway 45, this property is very accessible and very conveniently right off of Highway 45. This property is just over 11 Acres, surrounded around beautiful Mesquite trees and lots of room to bring your building dreams to life. The property already has electricity installed and a cabin home, along with a bathroom outhouse has already been started and awaiting your finishing touches. Turn this amazing property into your own Ranch or buy it with your family to build a family compound and have a place to bring the whole family together on the weekends and holidays.
