Overview

This meticulously maintained 2005 manufactured home in Country Village Estates is now a charming 3-bedroom, 2-bathroom residence! Formerly a 2-bedroom with a bonus room/den, the newly added door to the bonus room has transformed it into a fully functional third bedroom, offering even more flexibility for your living needs. Inside, you'll find a welcoming living space perfect for gatherings, alongside a well-appointed kitchen. Recent updates include 2-year-old carpets, paint etc. Enjoy the convenience of a patio for your furry friend, beautifully landscaped grounds, and your own private patio. Space rent includes sewer and basic cable. Community amenities feature RV storage, a playground, half-court basketball, and a pet-friendly environment complete with a dog run. Take advantage of the scenic walking trails throughout the meticulously cared-for grounds. Located conveniently in close proximity to shopping, dining, local breweries, and taverns, this home offers the perfect blend of tranquility, convenience, and affordability. Dont miss outschedule a showing today and start enjoying the good life!
