Overview

Welcome to this beautiful, meticulously maintained 3-bedroom, 3-bath raised ranch. A fabulous stone walkway and stone wall grace the front of this lovely home. The spacious living room is filled with bright, natural light from the picture window. The eat-in kitchen has granite countertops. Enjoy large dinner gatherings in the dining room which has sliders to a bright, three-season room with sliding glass doors leading to a small deck and a large stone patio great for outdoor entertaining. Hardwood floors throughout main level under carpeting. Central Air. The lower level features a large family room and a half-bath. Laundry room and mechanicals are also on this level. Convenient location.
