Overview

This gorgeous home has so much to offer! Its exterior is maintenance free brick and siding and features a main level garage and a separate driveway at the side of the house for plenty of parking space, and an extra half lot attached for an expansive outdoor area. The driveway to the side of the house already has footers ready and waiting for an extra garage addition if desired. Enjoy the covered front porch and the private back patio as well. Once inside you will enjoy the beautiful flooring, new quartz countertops, cozy gas log fireplace, tray ceilings, and split bedroom design. It's a rare find with all main level living! There's barely a step into the house at either entrance. As a bonus, enjoy all that beautiful Lochmere has to offer including the lake, fishing, walking track, pool, clubhouse, picnic area, playground, pickle ball/tennis/basketball court, and frisbee golf. All of this is just minutes from school, shopping, and restaurants. You must see this move in ready home to appreciate all it has to offer!
