Overview

Come see this stunning mid-century modern home which has been skillfully renovated with expert craftsmanship while preserving the original character. The wood siding has been freshly painted in a striking, contemporary shade. In the kitchen you'll find era specific Geneva metal cabinets, European style thin scape countertops, a brushed gold work station sink and stainless steel appliances. Gleaming red oak floors throughout the main floor. State of the art LED lighting is the icing on the cake! Newly built primary en suite located in the spacious basement. Also in the basement is a bonus room staged for a whiskey lover. Come take a look! OPEN HOUSE Sunday, September 8, 3:00-5:00.
