Overview

Welcome to this lovely home in good condition ready for a new home owner! Well laid out 3 bedroom (with custom built in wood shelves and desks) 2 full baths, 2 living areas (one large with stone fireplace with wood mantle), one dining area, a charming kitchen and a wood shop for your next project on the side of the house! Wood like flooring in kitchen, one living area and brand new carpet just laid in bedrooms in August. Original hardwood floors under carpet - could be stained and sealed - in good condition. Only two owners since it was built, fenced in yard -with working sprinkler system -for pets or family gatherings. The front living area could be turned into a 4th bedroom and 3rd bathroom due to layout of house. Large laundry room. All plumbing replaced by Berkeys in August. Come and see this charming home!
