Overview

This meticulously maintained farmhouse; completely rebuilt from the studs in 1994, retains the original restored staircase; offers a large primary residence with a ground floor studio apartment currently generating income. An architecturally appropriate addition was added in 2002 bringing the total living area over 3, 000sf. Recent exterior improvements include new roof, new skylights in the primary suite (2023) new farmers porch and side deck (2024); completely repainted (2024). The interior features natural woodwork throughout; solid wood pocket doors opening to a vaulted great room, with wood burning stove; large eat in kitchen with island opening to a deck expanding the length of the home; main level laundry room; a spacious skylit primary suite overlooking the large yard space; hard wood flooring. This property is ideally situated to the commuter rail, Bike trail, Rt 9, Mass Pike, schools, shopping, and so much more. A motivated seller is ready for you to make this your next home.
