## Overview

Come see this nice 2-bedroom that is move in ready with a fenced yard overlooking the woods in a quiet neighborhood on a cul-de-sac. Completely redone inside and out. Included are all appliances, washer, dryer, stove, dishwasher, refrigerator and fresh paint! New vinyl plank flooring in the bedrooms and living room, a new furnace, new duct work, new upgraded electrical panel, new lighting, new shelving and built in bookcase, and a new dishwasher. Outside we have a new 6 x 8 storage shed, new back yard fencing, new shutters, new gas line and a nice large patio with table and chairs included to relax and watch the wildlife. Within walking distance of Kroger and CATA bus line. High-speed fiber internet available as well. This one is move in ready. Step into your next home and relax!
