Overview

3 Bed/3 Bath home located in the highly desirable Vistancia. This is a split floorplan with a large master suite with it's own private balcony, 2 walk in closet, and double sinks. One of the secondary bedrooms is huge with the third room being great for an office. The living room has wall-size sliders that open to a paver patio that is perfect for entertaining. There is a 220V in garage for EV or power tool and owned water softner. Vistancia Community offers A-rated schools, gorgeous landscape, and exquisite amenities.
