Overview

Situated on a tranquil cul-de-sac and adjacent to a community park, this 2-bedroom, 2-bathroom 2 car garage home delivers a modern living experience enhanced by thoughtful upgrades. One of its standout features is the stunning kitchen, complete with granite counters, custom cabinets, recessed lighting, and a convenient doggie door that opens to a private patio. The home boasts newer dual-pane windows throughout, complemented by custom blinds, ensuring both energy efficiency and style. The open floor plan provides ample space for relaxation and entertainment, with large windows that flood the interior with natural light, accentuating the modern finishes and creating an inviting atmosphere. The spacious master suite features mirrored closet doors and plantation shutters, while the ensuite bathroom includes a luxurious walk-in tiled shower. The second bedroom is thoughtfully designed with a sliding door that provides private access to the front of the home. With low HOA fees that cover water, trash, sewage, and yard maintenance, this property offers convenience and peace of mind. Its prime location near schools, shopping, and the Vandenberg Space Force Base further enhances its appeal, making it an ideal choice for those seeking comfort and modern amenities in a desirable neighborhood
