## Overview

Welcome to desirable Sturbridge, Ma.! This custom built colonial has it all! This property is setback off the road, with lots of privacy on .92 acres that abuts beautiful Cedar Pond. Upon entering the home you are welcomed into 9 foot ceilings, lots of natural light, and a large functional floor plan great for families and large gatherings. The updated eat-in kitchen offers granite counter tops, double ovens, sub zero fridge, and cherry wood cabinets. First floor also offers an oversized great room, formal dining room with hardwoods, and formal and informal living rooms. Upstairs offers 3 bedrooms with large closets, full bathroom, and the over-sized master bedroom w/ upgraded tiled ensuite w/ separate tub and stand up shower. The finished lower level includes a full bathroom, spacious bonus room for extra storage and a walks out to the inground pool area. Attached oversized 2 car garage and a commuters dream, convenient to all major routes! Be apart of Union 61 School District!
