Overview

Escape to your private oasis at this stunning waterfront property on the serene shores of Cedar Creek Lake. The 2 homes are nestled amongst the trees, providing endless options with 4 bedrooms and 3 bathrooms the perfect retreat for those seeking tranquility and natural beauty away from the stress of day to day. Step inside and be captivated by the mid century modern inspired space emphasizing the redesigned floor plan for entertaining friends and family. The large kitchen is an ideal hub for hosting and seamlessly connected living spaces showcase sweeping views of the lake, bridging the gap between indoor and outdoor living. Outside, you'll find a covered dock to spend lazy afternoons fishing or simply enjoying the breathtaking sunsets on 300 ft. of shoreline property. The surrounding landscape is adorned with towering trees and native landscape on a half acre, providing shade and seclusion for your enjoyment. Retreat to this lakeside gem and embrace the tranquility of nature's embrace.
