## Overview

Experience breathtaking river views from the comfort of the covered outdoor deck, where you can unwind while overlooking the serene lap pool and beautifully landscaped and irrigated yard. This home boasts exceptional character, featuring vaulted ceilings, an airy, light-filled kitchen, and a spacious great room that perfectly frames the stunning scenery. The primary suite offers a unique touch with separate his-and-hers bathrooms, a large walk-in closet with access to the laundry room, and a private deck with a hot tub. The ground level includes a heated garage with space for 8 cars, a floor drain, workshop and a generous 10-car driveway. Built with durable steel siding and metal roof, and a robust 10-inch foundation. The property also includes an elevated mechanical room, above flood levels, for added protection. Make this a seasonal or year around retreat. Either way, it is ready for a new owner to enjoy.
