Overview

Located in the private, quiet back corner of Laurel Park, at the end of the road, sits this charming Chalet! With huge wrap-around screen porch and an open floor plan that allows for tremendous natural light, this cottage is not to be missed. The kitchen showcases SS appliances, multiple cabinets, vaulted ceiling and a new skylight. A remodeled 1st floor bath features a tiled shower and skylight. In the LR you'll find a large pellet stove, full-glass french doors on 2 sides and a double window on the 3rd side to bring the outside in! The newer Anderson windows and doors, MassSave insulation, large pellet stove and efficient propane boiler will ensure cozy and warm winters! Upstairs 2 large BRs with new skylights, cathedral ceilings with fans and a sweet balcony for morning coffee. A full bath with tub/shower, laundry closet and home office round out the 2nd floor. This is a great choice in a fun, historic neighborhood that has great community spirit! OH on Sun, 9/8, 11-1
