Overview

Welcome to 7449 E Robinson Rd! This home is move in ready yet still holds so much potential in the unfinished lower level. Three of the bedrooms and two of the bathrooms can be found upstairs, one of which is a spacious primary suite with an ensuite. The main living area has an open floor plan with a large south-facing window that lets in wonderful sunlight. The fourth bedroom is on the lower level, which has its own access door and could easily be turned into a second living area or rental space! Within the last 3 years, the homeowners have painted all of the rooms, replaced the fridge and dishwasher (2022), replaced the washer and dryer (2023), replaced the windows in the living room, and stained the deck. Enjoy views of the trees across the road on land owned by Pellston Public Schools with more land down the road owned by the University of Michigan. The home is close to hiking trails, ORV routes, and just 6 minutes from Douglas Lake, 12 minutes from Maple Bay on Burt Lake, and 16 minutes from the ski hills. There is also easy access to shopping and dining in the towns of Mackinac City, Cheboygan, Alanson, Harbor Springs, Cross Village, Indian River, and Petoskey. Enjoy the spacious yard and great neighbors at this wonderful home!
