## Overview

This well cared for ranch offers so many possibilities! -As a single family home or with some changes, a possible two or three unit rental opportunity. Currently used as a group home, the 1868 square foot main level has 4 bedrooms, 2 full bathrooms ( 1 is ADA compliant), 2 living rooms, 1 kitchen and another room that is kitchen ready. In the lower level you will find 2 additional bedrooms, 1 full bath, additional kitchen, living area and plumbed in for another bathroom. Lots of storage space, laundry and a private entry in the back of house. Newer mechanicals include 2 furnaces (2021), 2 water heaters and newer roof. Attached 2 stall garage, a large deck with ramp in the back of the house. All this situated on a large lot on a cul-de-sac.
