Overview

This exceptional home combines luxury, comfort, and tranquility, making it a truly remarkable find in the Southwest Quadrant of Evergreen Park. This exquisite home presents a rare and exceptional opportunity for discerning buyers seeking sophistication and comfort in a coveted location. Whether you're drawn to its elegant entrance or envisioning yourself in the serene atmosphere of its private spaces, this five bedroom, three and a half bath home reflects a commitment to quality and comfort. This home features two distinct office spaces tailored to accommodate different aspects of modern living. The executive office is located in the front of the home and is a sanctuary of productivity and professionalism. The second family office/study room is adjacent to the great room and is a dedicated space for household management and organization, ensuring efficiency in daily tasks. The heart of the home is the remodeled chef's kitchen, complete with a central island that comfortably seats six. It's equipped with professional-grade appliances, ample storage, and plenty of counter space for cooking and entertaining. A farmhouse sink adds charm and functionality, making this kitchen a perfect space to gather. The great room boasts one of four fireplaces and includes two sets of French doors that open onto the newer three-season room, creating a seamless flow between indoor and outdoor spaces. The three-season room will be your dream come true with a

wood-burning fireplace, outdoor kitchen area with Viking hood, making entertaining a delight. Upstairs, this home offers five bedrooms, a convenient second-floor laundry room, and two full bathrooms. The master suite is a luxurious retreat, featuring a fireplace, a spacious walk-in closet, and a private balcony which provides a peaceful view. Its master bathroom is an oasis of relaxation, equipped with a jacuzzi tub, a steam shower with full body sprays, and a rain shower, providing a spa-like experience within the comfort of home. The expansive basement offers a variety of amenities designed for both relaxation and activity. It includes a family room with a fourth fireplace, ideal for cozy gatherings and entertainment. A third full bathroom adds convenience, while a recreation area and dedicated workout space cater to active lifestyles. Ample storage ensures organizational ease, and a dry bar provides a stylish setting for refreshments and socializing. This lower level is a versatile extension of the home, offering both comfort and functionality for all members of the household. The custom brick patio is the perfect spot for summer evenings and the professionally landscaped yard stretches 273 feet, offering a beautiful and private outdoor retreat. This is a rare gem and provides ample space for outdoor enjoyment and privacy. This gorgeous home is a must-see, offering a one-of-a-kind opportunity in a truly wonderful community.
